To Whom it May Concern:

I am honored to write this letter in support of Stephnie Menke as she campaigns to serve as District Clerk for Potter County. I have had the privilege of knowing her for approximately 23 years, and during that time I have witnessed firsthand her unwavering character, dedication, and commitment to both her family and our community.

She is one of the most loyal, dependable and faithful individuals I know. Whether in her personal life or professional responsibilities, she approaches every task with integrity and consistency. As a devoted wife and loving mother, she prioritizes her family while also demonstrating remarkable balance in all areas of her life. Her commitment to serving others is evident through her active role in her church, where she faithfully gives her time and energy to support and uplift those around her.

I believe her dedication to Potter County and its residents is sincere and longstanding. She cares deeply about this community and the people who call it home. In her current role with the county, she strives to handle responsibilities with professionalism, diligence and efficiency.

I firmly believe she should serve as a District Clerk because she possesses not only the experience and work ethic necessary for the position, but also the heart for service that our county deserves. Her loyalty and commitment make her qualified to continue serving Potter County in this important capacity. I am confident she will continue to serve our county with honor and excellence.

If I can be of further assistance, please feel free to contact me.

Blessings,

Jeff Ponder
